

Cirque Hialøs technical rider - rig

Circus and music performance, 4 circus artists (and 4 musicians)
We bring all circus equipment: trapeze, rope and hair-hanging.

Contact for rig:

Karoline Aamås +46736743549 karaamaas@gmail.com
or Eivind Øverland La Cour +4553818794 theamazingother@gmail.com

Documentation of performance:

<https://entmanagement.se/cirque-hialos-video>

The show can either be rigged from a truss or from separate points.

Stage size 8x8m

Rig height 7m. (fixed points)

The duo-trapez should have a fixed point with breaking point of 2000kg
Other points breaking point of 1000kg.
Distance between points aprox 3 meters - around center of stage.

The show can be adjusted for many types of heights and rooms, please contact us.

Approximate stage plot:

stage front

xx fixed point 1

xx fixed point 2 & 3

(sound table)

Point 1 - slings for attaching a bass (with a person standing on it)
point 2 (preferably a truss) - duo-trapez, rope, hair-hanging
